

NEA Exec Candidacy Announcement

Hello NEA! I am your NEA Executive Tina Williams. I am a CED in Greenwich, New York Covering Washington, Warren and Saratoga Counties. I have been with the agency for 13 years. I live in Washington County New York with my husband Mike and my daughter Haley. In my spare time, I raise hogs, dairy replacement heifers, beef and chickens. I have been a NASCOE/NYASCOE member since my first year of employment with FSA. I have served in various roles at the state, area and now national level. It is hard to believe I am almost done my second year serving you as the NEA Executive. I expected this year to a bit quieter but then the equity commission threatened to do away with COC's and we face hiring issues due to salaries and grades. Serving in this position has certainly been an eye-opening and learning experience. I appreciate all the support of my area chairs, alt exec, state presidents and membership in the NEA, without you all I couldn't be successful in this position. We just had our NEA Rally in Wheeling, WV and it was so great to see seasoned members, meet some new members and/or first time attendees! I hope you all are considering attending National Convention in College Station, Texas in August. In closing, I am requesting your continued support as I run for a third year as your NEA Executive.
