

Southeast Area Alternate Executive
2023 Candidacy Announcement
Dawn Ovesen

My name is Dawn Ovesen and I would like to announce my candidacy for the position of SEA Alternate Executive. I am running for this position because I believe in the importance of the County Committee System, the County Office Employees, and the producers that we serve. I believe in the mission of NASCOE and the state organizations.

I am currently the Kentucky State President for a second and final term. My goal this term was to increase our membership, and we have accomplished that goal, but we still have more to do. I have previously served as the SEA Alternate Executive for one year. I stepped down due to moving to Logan County as the CED in that office. The office needed my full attention for several years to hire and train all new employees. Now that I have seasoned employees, as well as a KASCOE Board of Directors, that fully support the NASCOE Mission, I will be able to devote my time and attention more fully as SEA Alternate Executive.

Issues that we are facing and will be facing in the future will greatly affect our County Office Employees and the County Committee System. I would like the opportunity to prove my ability to help navigate NASCOE through those challenges.

I have been a CED for 21 years in Monroe and Logan Counties in Kentucky. I graduated from Western Kentucky University in 2001 with a Master of Science in Agriculture.

I would consider it a privilege to serve you all as your SEA Alternate Executive and respectfully request your support.

Respectfully,

Dawn M Ovesen
