

No one can ever adequately prepare you for what to expect when you make the decision to step up and serve NASCOE at one of the highest levels. When I decided to run for NASCOE Treasurer two years ago, I thought I knew what I was getting myself into, but it turns out that I only had a vague, general idea! While the learning curve was steep, I found myself enjoying the challenge. I can honestly say that I love the work involved with the position and it has truly been an honor to serve you for the past year.

It is with great pleasure and excitement (and with a better understanding of what's in store) that I would like to announce my candidacy to serve a third year as your NASCOE National Treasurer.

I have been the CED in Gage County, Nebraska for 13 years and I have been a proud FSA employee and NASCOE member for 15 years. I bring with me a history of service to NASCOE at the state and area levels, and I am passionate and enthusiastic about what we do.

Over the last year I have identified and implemented ways to streamline and simplify the processes associated with this position and have found ways to increase our revenue stream. I have happily provided support and guidance to the state officers and look forward to another year of service to NASCOE!

*Jessi Colgrove*
