

NASCOE Secretary Candidacy Announcement

Hello NASCOE Members,

My name is Taylor Stucki, and I am asking for your support to run for a second term as NASCOE Secretary. For those of you that don't know me, I am a Key PT in Oklahoma. I grew up in the neighboring county and have worked in my office for going on nine years. The first year and a half I was a temporary and fell in love with the agency and what NASCOE did for its members. When I was hired on full time, I became a member and have been excited about the work of NASCOE and OKASCOE since day one. A few of the positions I have held include serving as the OKASCOE Publicity and

Convention Chair since for seven years, I was the 2020-2021 Southwest Area Awards and Scholarship Chair, NASCOE Awards and Scholarship Chair, and the honor to serve as the NASCOE Secretary for the past year.

Over the past year I have learned a lot of how NASCOE functions and supports our members daily, and it is even more incredible than I could have ever imagined. I believe that keeping NASCOE members informed and being as organized and detailed oriented with all documents is large part of ensuring that the future of NASCOE thrives for years to come. I am hoping that I can continue use my skills and experience to serve the members of NASCOE and help us continue the years of success and great leadership that has laid the foundation.

I am asking for your support and ready to continue serving all our members as your NASCOE Secretary if given the opportunity.

Respectfully Submitted,

Taylor Stucki
