NASCOE Secretary Candidacy Announcement

Hello NASCOE Members,

My name is Taylor Stucki, and I am asking for your support as I seek a fifth term as NASCOE Secretary.

For those who may not know me, I am currently a PA in Oklahoma where I have spent the past 11 years serving FSA. I began my career as a temporary employee, and during that time I quickly developed a passion for both our agency and the work NASCOE does to support its members. Upon becoming a permanent employee, joining NASCOE was an easy decision. Since that day, I have remained committed to serving our membership and strengthening our organization at every opportunity.

Throughout my career, I have been privileged to serve in a variety of leadership roles, including OKASCOE Publicity and Convention Chair, Southwest Area Awards and Scholarship Chair, NASCOE Awards and Scholarship Chair, and NASCOE Secretary for the past four years. Each of these positions has provided valuable opportunities to grow as a leader, build relationships across the country, and gain a deeper understanding of the challenges and opportunities facing our membership.

Over the last four years as Secretary, I have gained extensive knowledge of NASCOE's operations and the critical role our organization plays in advocating for and supporting FSA employees. What continues to impress me most is the dedication of our leadership and members who work tirelessly to ensure NASCOE remains a strong and effective voice for all of us.

As Secretary, I believe one of my primary responsibilities is to ensure our organization remains transparent, organized, and accountable. Accurate records, timely communication, and preserving the history and decisions of our organization are essential to maintaining continuity and positioning NASCOE for long-term success. I take great pride in approaching these responsibilities with attention to detail, professionalism, and a commitment to serving our members.

If given the opportunity to continue serving, I will build upon the experience and knowledge I have gained over the past four years while continuing to support our leadership team, advocate for our membership, and help ensure NASCOE remains strong for future generations. I am grateful for the trust you have placed in me and for the opportunity to serve this outstanding organization.

I respectfully ask for your support and vote as I seek another term as your NASCOE Secretary. It would be an honor to continue serving each of you and working on behalf of our membership.

Thank you for your consideration and support.

Taylor Stucki
