

Candidacy Announcement

My name is Audre Hayward, and I am pleased to formally announce my candidacy for the position of Northeast Area Alternate Executive.

I currently serve as a Lead Program Technician in Washington County, Maine, and I have been with FSA for 13 years. Throughout my career, I have served in multiple roles within our state association, including four years as the Northeast Area Programs and Negotiations Chair. These experiences have given me a strong understanding of member needs and the challenges and opportunities facing our association.

I respectfully ask for your support in the upcoming NASCOE Executive Board elections, and I appreciate the opportunities I have had to serve NASCOE in the past.

Respectfully,

Audre Hayward
