

Good Afternoon,

I want to first off, thank you all for your support for me as I am currently serving as your ALT Executive. This has truly been a humbling experience I have learned so much in a short amount of time and am so proud of you all in this area. I truly enjoy working tirelessly helping our members in the NWA on various issues and making sure their voices don't go unnoticed. I can promise you as the NWA Executive, I will continue to work hard for our members in the NWA.

Here is a little background on myself, I live in Syracuse, Nebraska, I am married, and we have a two-year-old son. Hobbies for me in my downtime would be spending time with family, and I love to golf. My wife's family has a Farm and Cattle operation here in southeast Nebraska that I enjoy helping with every day. Let me tell you a little about myself, I have been with the Agency since April 2022. I am involved with my local Volunteer fire dept and am currently serving as the secretary. The fire service is also a very special place for me, I love to help people. FSA has given me the opportunity to spend more time with my family, and to enjoy working on the farm with family.

I come to you this afternoon to announce my candidacy for NWA Executive. I really am dedicated to give the NWA everything I have, I truly love working for the membership and bringing them the information they need to know. I am asking for your support in my candidacy and want you all to know that I will pour my heart and soul into the NWA. Thank you so much!

Sincerely,

Matt Weddingfeld
