

May 13, 2026

After much thought, encouragement, and prayer, I am excited to officially announce my candidacy for NASCOE Southwest Area Executive.

Over the previous two years, serving under Terry Cater, The Executive Committee and many other NASCOE members, has given me a deep appreciation for the work we do and the importance of strong representation, communication, and leadership within our organization. I am passionate about advocating for employees, supporting our county offices, and ensuring every voice across the Southwest Area is heard.

I believe in leading with integrity, transparency, and a willingness to listen. If elected, I will work hard to represent our members fairly, communicate openly, and continue strengthening the relationships that make NASCOE such an important organization.

I would truly appreciate your support, encouragement, and most importantly, your vote. I look forward to the opportunity to serve the Southwest Area and represent each of you to the best of my ability.

Thank you for your continued dedication to NASCOE!

Respectfully Submitted,

Sabrina Blaser

Sabrina Blaser,
Candidate for SW Area Executive
