Dear Fellow Members of the Southwest Area,

I am announcing my candidacy for the position of Southwest Area Alternate Executive. Representing the interests, concerns, and aspirations of our members will be a top priority.

Throughout my career and volunteer work, I have demonstrated a commitment to lead. I have participated in the Kansas Ag and Rural Leadership Program and the Kansas Soybean Emerging Leaders program where I learned leadership, professional and communication skills. I have served KASCOE as state President where I effectively put on organizational meetings and planned state conventions. I helped with the National Convention when it was hosted in Kansas. I was able to get my feet wet in membership by helping the SWA membership chair. I have also done very meaningful and impactful legislative events on behalf of KASCOE/NASCOE, often getting high praise for those efforts. I look forward to continuing to learn and grow as a leader.

With your support, together we can build a brighter future for our Southwest area. I ask for your vote and your trust in this endeavor.

Thank you for your consideration and support.
