

Do you care about your job and benefits? If so, what are **YOU** doing to help protect them? By ourselves we have little ability to affect change but together we can stand strong. NASCOE's PAC is one tool that we use to fight for your job and benefits security.

If you sign up to contribute \$3 or more to the PAC or increase your contribution by at least \$3 per pay period, you will get a very cool Ozark Trail 20oz stainless steel PAC tumbler to take with you wherever you go to show **YOU** are a part of the **TEAM** that cares and works hard to protect our employees' jobs and benefits.

We constantly face attacks on our benefits and jobs. Without NASCOE's legislative efforts, our members and employees are sure to be adversely affected. Please don't take your job and benefits for granted. What we have now is a result of many years of hard work by NASCOE and we **MUST** continue to work hard to hold on to those gains. We need you to "help us help you"! We have many, many dedicated employees and members who can step up and help us by becoming PAC contributors. If we don't take this initiative, who will?

"WE WANT YOU!" to be a NASCOE PAC participant by completing the enrollment or increase form today. The process is easy and takes only a few minutes.

Email your completed form to neil.burnette@yahoo.com and someone will help get you signed up soon, so we can get your promotional PAC cup in your hands!

Check out the NASCOE PAC webpage for additional information.
