25, 30, 35, 40, 45, 50, 55 and 60-Year Membership Award Criteria

These awards are for individual members and/or County Offices that have maintained **100% membership in NASCOE** for a 25, 30, 35, 40, 45, 50, 55 or 60 year period.

- **These are one-time awards.** Counties and members that have already been recognized for a specific year period cannot be recognized again. The awards are based on 5 year increments.
- If submitting individuals, the member must have reached their specific year award while serving in an active duty status as a permanent, dues-paying member. Associate membership does **not** count towards the membership period.
- If a county office or an individual member was eligible in one of the last 4 years for the 40, 45 or 50-year award and was previously missed being recognized, it is not too late to submit the individual or county.

Deadline for certification and submission by the state association secretary/treasurer is **June 15, 2019.**
