

NASCOE President Candidacy Announcement for

Marcinda Kester

The past two years have been amazing, and I am not ready for my NASCOE journey to end therefore I would like to announce my candidacy for NASCOE President. I was born and raised in Southern Indiana however I have spent most life and career in the great State of Florida.

When I first started my permanent career with FSA in 1995, I knew that NASCOE was going to be a big part of my life. When I attended my first national convention in Omaha, Nebraska I knew then that I wanted to be one of those officers sitting at the head table during the convention. Had you told me then that I would be running for President of NASCOE I would have laughed. Now over 25 years later I cannot imagine my life without my NASCOE family.

I have served in numerous capacities during my tenure with NASCOE. I have served several years as my state President, as a Chair for my state and area, National Chair as well as NASCOE Secretary and most recently NASCOE Vice President. I have Chaired several Area Rallies as well as assisted states with National Conventions. My career with FSA has been as vast as my career with NASCOE. I have been a PT, CED, Program Specialist, Program Chief, Acting DD, and SED and now most recently I went back to my roots and I am serving as a CED in a multi-county shared- management office. To top my career achievements off I have worked in DC on many task forces and I am personal friends with many of our Washington DC staff.

I am is compassionate, hardworking, and organized and I have the skills to represent our NASCOE family. The last two years have been amazing with the leadership team in place. I have big shoes to fill but I am excited and eager to represent these hardworking employees of FSA.

I would appreciate your support in this endeavor, and I look forward to what the next two years will bring.

Please accept this candidacy announcement for NASCOE President.
